Leave Policy ? TechNova Inc.

Purpose

This policy defines paid time off (PTO), sick leave, bereavement, jury duty, and unpaid leave for all TechNova employees. It aligns with our Employee Handbook and state where applicable.

Paid Time Off (PTO)

Full-time employees accrue 20 days PTO per calendar year at 1.67 days per month.

Part-time employees (20-29 hours) accrue pro-rated at 0.83 days per month.

Carryover and Expiration

- Maximum 5 unused PTO days may carry to the next calendar year.
- Days beyond the carryover cap expire on December 31.
- PTO cannot be cashed out except where required by law.

Request Process

1. Submit requests in the HR portal at least 14 days in advance for blocks under 5 days.
2. Requests of 5+ consecutive days require 30 days notice.
3. Managers respond within 3 business days.
4. During peak release windows (see Engineering calendar), Engineering managers may defer non-critical PTO with 48 hours notice and an alternative date.

Sick Leave

Employees receive 10 sick days per year, separate from PTO. Sick leave does not carry over. For absences exceeding 3 consecutive days, a healthcare provider note may be requested upon return.

Bereavement Leave

- 5 paid days for immediate family (spouse, parent, child, sibling).
- 3 paid days for extended family (grandparent, in-law).
- Additional unpaid leave may be approved by HR.

Jury Duty and Civic Leave

Jury duty is paid for up to 10 days per year with summons documentation. Voting time: up to 4 hours paid on election days.

Unpaid Leave

Unpaid personal leave of 30+ days requires VP approval and is available after one year of tenure. Benefits continue for the first 30 days of approved unpaid leave.

Holidays

TechNova observes 10 company holidays annually (list published each January in the HR portal). Holidays do not count against PTO.

Tracking and Audits

All leave is tracked in Workday. Managers must approve before time off begins. HR audits quarterly for negative balances and policy exceptions.
