

Pricing Tiers (PDF)

Pricing Tiers ? TechNova Platform

Overview

TechNova offers three pricing tiers designed for teams of different sizes and needs.

Tier Comparison

Feature	Starter	Pro	Enterprise
-----	-----	-----	-----
Monthly Price	\$29/user	\$79/user	Custom
Users	Up to 10	Up to 100	Unlimited
Storage	10 GB	100 GB	Unlimited
API Requests	1,000/day	10,000/day	Unlimited
Support	Email (48h)	Priority email (24h)	Dedicated account manager
SSO	? ? ?		
Audit Logs	? ? ?		
Custom Integrations	? ? ?		
SLA	99.5%	99.9%	99.99%

Starter ? Best for Small Teams

Perfect for startups and small teams getting started. Includes all core features : document management, basic search, and team collaboration. No credit card required for the 14-day free trial.

Pro ? Best for Growing Companies

Everything in Starter, plus advanced features like SSO integration, detailed audit logs, priority support, and higher API limits. Most popular among mid-size companies with 20-80 users.

Enterprise ? Best for Large Organizations

Fully customized solution with unlimited everything. Includes dedicated account management, custom integrations (Salesforce, SAP, Workday), on-premise deployment option, and a 99.99% SLA.

Enterprise Add-ons

- Data Residency: Choose your data center region (US, EU, APAC).
- Advanced Analytics: Custom dashboards and usage reports.
- Professional Services: Implementation support and training.

Discounts

- Annual billing: 20% discount on all tiers.
- Nonprofit organizations: 50% discount on Pro and Enterprise.
- Startups (<2 years old, <20 employees): 30% discount on Pro for the first year.
