

Quota and Commission Guide (PDF)

Quota and Commission Guide ? TechNova Sales (Restricted)

Annual Quota

| Role | Typical quota (ARR) |

|-----|-----|

| SMB AE | \$600k |

| Mid-Market AE | \$1.2M |

| Enterprise AE | \$2.0M |

Quotas set in January; mid-year adjustments rare and VP-approved only.

Commission Structure

- Base / variable: 50/50 split typical for AEs.

- Accelerator: 1.5× rate on attainment above 100% quota.

- SPIFFs: Quarterly on strategic products (Enterprise VPC, new logo in FinServ).

Commission Schedule

| Event | Payout |

|-----|-----|

| New logo closed | 50% at booking, 50% at collected payment |

| Renewal | 50% of renewal commission rate (see renewal_playbook) |

| Clawback | If churn < 12 months, prorated clawback applies |

Sales Commission Structure (FAQ)

Q: What is the sales commission structure?

A: AEs earn variable comp as % of ARR booked per tier: SMB 12%, Mid-Market 10%, Enterprise 8% of first-year ACV, plus accelerators above quota. BDRs earn quarterly bonus on qualified meetings that close within 6 months.

Q: When are commissions paid?

A: Monthly payroll following Finance collection verification.

Team Overrides

Sales Director override: 2% of team bookings. SE not on commission; bonus pool separate.

Disputes

Submit commission disputes to Sales Ops within 30 days of statement.
